Projects

E-Commerce Website

- Built an E-commerce that has a good UX/UI and database connectivity. Utilized the Node, React, Express and to make it interactive, MySQL Database
- Started with a PHP then learned Node for backend and hence switched to Node.

Activities

Competitive Coding

Online Platforms

- Mentored incoming freshman who were in computer science to provide guidance on challenging classes and perform code review for their first CS projects
- Having good leadership skills, I was chosen Sports Captain, which led to good results
- Black-Belt in Karate and grabbed gold in cluster and bronze in state level SGFI, and trained many other junior students of my school

National Cadet Corps

- Completed NCC with B and C certificates. And done different Camps Activities

Sports Captain

- Having good leadership skills, I was chosen Sports Captain, which led to good results for school.
- Black-Belt in Karate and grabbed gold in cluster and bronze medal in state level SGFI.
